THE ANSWER IS

YES

WHO WE ARE ?

Since 2015 YES-PAC has been the brand name of our packaging arm which includes two manufacturing companies with various facilities; International Engineering Union for Polymer Industries (IEUPI) and International Polymer Industries (IPI). These companies have been in the manufacturing field since 1999 with a strong local and regional market share.

YES-PAC exports its wide range of products to more than 22 countries in Africa, Asia, and Europe, fulfilling customer requirements in various sectors such as food processing, pharmaceutical, healthcare, and the chemical industry.

YES-PAC is one of the leading IML Packaging Solutions in Egypt, Africa, and the Middle East due to premium quality, innovative ideas, efficient processes, and hygienic manufacturing conditions. This is why YES-PAC continues to be a major packaging supplier to several multinational and local companies.

Eco-friendliness, efficiency, integrity, absolute commitment, customer satisfaction, and loyalty are but a few drivers of our business ethics.
